Fireworks

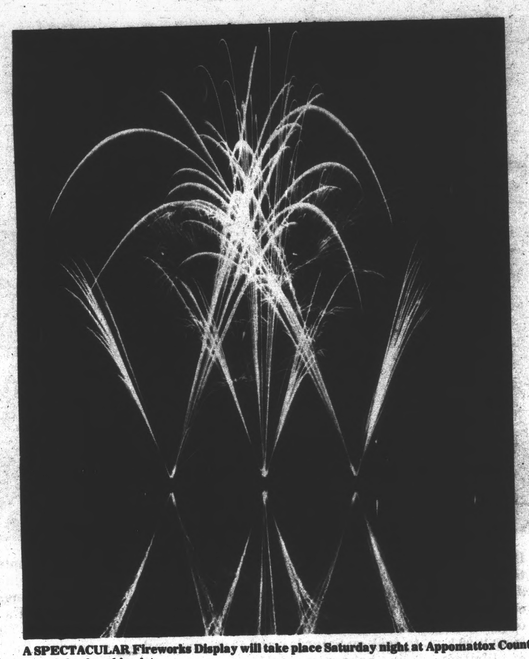
Sky will light up over high school Saturday

The 12th annual Historic Appomattox Railroad Festival is bringing more sparkle to the skies over Appomattox. Your oohs and aahs as the fireworks lit the skies have encouraged a bigger and better show for this year.

Back by popular demand, this year's Fireworks Display will be the biggest and best show yet. This year's aerial show will feature twice the number of fireworks as last years show. Jerry Spates, Farmville Town Manager, and Gene Philbeck of Farmville will be setting off this year's display, assisted by Bill Britton, several Appomattox Town employees and Appomattox County Citizens. The fireworks will be launched from a field on John Cole's farm at 8:00 p.m. on Saturday, October 13. Parking will be in the Appomattox County High School Parking lot.

This year's display will feature South Carolina fireworks, which will be higher and brighter than any previous show we've had. There will be 76 tubes lit and ready for fire at once, as compared with five tubes in last year's show. This will make for a spectacular and breath-taking 20-30 minute show of color and beauty.

Don't miss the excitement of this year's extravaganza! Be there!!!



A SPECTACULAR Fireworks Display will take place Saturday night at Appomattox County High School parking lot.

At Main Street Depot

Antiques to be featured

The Historic Appomattox Railroad Day Festival will again feature an Antique Show & Sale. The show will be in the railroad depot building. The hours on Saturday, October 13 are from 10 a.m. until 6 p.m. and on Sunday from 1 p.m. until 5 p.m.

This year there are thirteen dealers from surrounding counties and towns. They are planning a great show and have for your viewing pleasure and purchase, an excellent selection of quality antiques and collectibles. These include furniture, rugs and wall hangings ranging from primitive to formal of the 18th thru the 20th century. There will be a fine selection of silver and glassware. These include individual pieces to complete place settings. You will find some beautiful cut-glass, crystal and art glass as well as a good selection of depression wear. In addition, you can find collectibles of all types.

The craftsmanship, quality and exquisite nature of the articles for sale will revive memories of ancestral treasures and long-lost arts. Plan now to attend and support this show and sale to ensure its continuance in future years.

A winning game plan ... Westvaco has one.

TREE FARM

It's called MULTIPLE-USE FORESTRY and it's a winning game plan for everyone.

Besides wood, our scientifically managed forests provide food and cover for wildlife, help control erosion, protect watersheds and offer opportunities for recreation. We are dedicated to economical and environmentally sound, multiple-use management of the renewable resources in our care.

As a part of our wildlife management and recreation program Westvaco will again open over 175,000 acres to public permit hunting in 21 Virginia counties. Possession of a valid annual permit is necessary before hunting on Westvaco property. Maps showing lands open to permit hunting are available upon request at time of permit purchase.

The future of hunting and other forest recreation depends on sportsmen like you ... We encourage your support of Operation RESPECT - Responsible Educated Sportsmen Promoting Ethical Conduct Together.

Use care and courtesy while in the fields and forests and have a safe successful season.

The permit fee for the current hunting season is $6.

YOU MAY OBTAIN A PERMIT BY SENDING:
(1) Your name
(2) A stamped, self-addressed envelope.
(3) Number of Your Hunting license
(4) $6 check or money order
